

Neurology referral resources – simplified

Our Neurology Center of Excellence makes it easy for patients to quickly get support and therapy they need to manage their neurology disorder.

How to send a referral (Please include clinical notes, lab work and medical and pharmacy insurance cards).

Optum® Specialty Pharmacy

The pharmacy carries:

- Orals and injectables for brand and generic medications
- Infusions (drug only for white bag distribution) such as Briumvi®, Tysabri®, Ocrevus®

Referral guidelines for Optum Specialty Pharmacy

- When e-prescribing, please also fax clinical notes and insurance details for a complete referral.
- Faxing the prescription with supporting documentation is another convenient option.

Fax: 1-877-342-4596
