Mobile App Release Notes

NEW

Brainshark Mobile App

Mobile App Refresh

With this refresh, mobile app users will notice an updated design that better aligns with the current desktop experience. Additionally, users will have improved usability and a better overall experience. Multiple ratings are now available in Coaching which includes 10-star ratings and Pass/Fail. The new version of the app is available on both Android and iOS devices. Please note that the new app requires iOS 11.0 or later.
